Hi Kate,

Thanks for this info – much appreciated!

Haley

Hi Haley –

Below is some information in the WIIN Grants from our website

<https://www.epa.gov/dwcapacity/wiin-grant-lead-testing-school-and-child-care-program-drinking-water>

In checking with our Drinking Water Office it looks like WIIN and SRF are the funding sources they mentioned.

I'm attaching a letter to the Governor of Vermont on the WINN Grants.

Let me know if you need anything else.

Thank you!

-Kate

Hi Kate,

I hope you're doing well.

The article below appeared on VPR, and Commissioner Boedecker mentions EPA funding for lead testing and remediation.

In addition to SRF, I know WIIN included some funding. Is there any other EPA funding currently available to identify and address lead in drinking water?

<http://digital.vpr.net/post/state-wants-more-testing-after-16-vermont-schools-show-lead-drinking-water#stream/0>

All the best,
Haley
